

Accounting Summit Leaders Day Two

November 6th, 2024 MAIN STAGE

MAIN STAGE 09:00 **Arrival**

MAIN STAGE 09:40 **Welcome**
Event opening and welcome from organizers

MAIN STAGE 10:15 **Masterclass 4**
For a more intensive examination of selected topics, we are offering an exclusive masterclass for which a maximum of 20 participants can register. The thematic focus will be announced shortly and promises in-depth analysis and practical insights. The masterclass offers a unique opportunity to exchange ideas with experts and like-minded people in a smaller, interactive setting.

MAIN STAGE 10:45 **Match-Making**
Time for networking! Exchange ideas outside the presentations and make new contacts with visitors.

MAIN STAGE 13:00 **Interactive discussion**
Interactive discussion format where leading experts and opinion leaders discuss the latest developments in intelligent automation processes in accounting. In a unique constellation of four permanent panelists and one free chair, you will experience an exchange of experiences on best practices in implementing AI and discuss the challenges companies face in this transition.

Topics in focus:
Improving the accuracy of accounting
Best practice examples
Implementation challenges

Christian Brumm
Zalando

Henrik Fröhlich
Sovereign Speed

Michael Priebe
Neptun Werft

Thomas Herrmann
